Vijay Parikh, Managing Partner
WHO WE ARE

We are accredited members of the relevant professional bodies including the Conveyancing Quality Scheme (CQS) and the Association of Leasehold Enfranchisement Practitioners (ALEP), which are designed to ensure the firm uses best procedures.

We use an intelligent, interactive risk management tool for conveyancers, supported by the Council for Mortgage Lenders and recommended by insurers. We undertake all property searches using online providers and register properties electronically with the Land Registry documents online service both saving our clients time and money. Currently we are on the panel of over 40 mortgage lenders which means we can act on their behalf too.
